**HOMEWORK** You can view any of the resources that have been loaded into Praxi for each class. It is important to remember that each on-campus teacher provides an **Assignment Sheet**. That is what you should refer to when looking for all assignments. Teachers also upload a back-up copy here as well as any handouts that were used in class. These are resources for you, but the assignments are on the Assignment Sheet.

It is **VITAL** to be certain that the **DATES are set correctly** or you will NOT be able to find what you are looking for
